## NOTICE

### REDUCTION OF BUS FEES

04.06.2020

Dear Parents & Guardians,

It is now clear that the schools will remain closed till the 30<sup>th</sup> of June. As such, it shall neither be possible to avail or to provide school bus services for the whole of first quarter.

Keeping in view the situation, it has been decided to reduce the bus fees further and increase the discount from 20% to approx. 50% for the first quarter.

The new applicable bus fees for the period of April to June (1st Quarter) only shall now be as follows:

- a) Area I – Rs. 2,365/-
- b) Area 2 – Rs. 2,825/-
- c) Area 3 – 2,950/-

As explained earlier, the organization continues to incur fixed costs such as salaries, vehicle insurance premium, loan EMI costs, road tax, permit fees, certificate of fitness fees, bus tracking software and hardware AMC charges, maintenance costs, office & establishment costs.

We hope that the parents and guardians will appreciate this very fair gesture and cooperate with the organization. With this reduced fee, the organization will have to bear a heavy burden of expenses from its own pocket as the fees will not be able to cover the full costs. Hence, your timely payment of the fees shall enable us to run the organization in a somewhat smooth manner.

Those who have already cleared the fees for the first quarter, the balance amount shall be adjusted with the dues of the second quarter.

Authorised Signatory.
