SYLLABUS Class - I

Academic Year : 2020-21

FOREWORD

Dear Students and Parents,

It gives me Immense pleasure to introduce the Syllabus Book for the Academic Session 2020-21. As the famous Chinese teacher had remarked in the 4th century B.C. and which stands true till this date, “A journey of a thousand miles begins with a single step”. It is keeping this in mind that St. Francis Xavier School, primary section has formulated this book to provide practical tips and suggestions for ensuring a smooth transition from one class to the next.

Through this publication we have aspired to give an outline of what we are teaching in school as per the ICSE curriculum. It provides an insight into the subjects taught and the topics covered, so that students and parents are aware of the exact lessons and methodology that would be delivered by the teachers in the class. Such data would be useful for the parents to reinforce the lessons at home and be in-step with the everyday teaching in the school.

It is hoped that students would refer to this book often and show utmost conscientiousness in preparing their school work and projects well in advance, in order to complement the commitment and hard work put in by our dedicated teachers. It will prove to be a valuable source. The students will benefit if the techniques are efficiently used by them for understanding, reading, writing and revising the lessons regularly and in turn will also help them to score better in the assessments.

God bless and wishing everyone a wonderful and fulfilling new session ahead!

Headmistress
St. Francis Xavier School
