NOTICE **CHANGES TO FEE PAYMENT CHANNELS**

All the parents and guardians are hereby informed that due to operational difficulties the **payment of fees through PAYTM APP & Website** shall cease to be available from 1st December'2022. This Notice has to be read in continuation of the Notice dated 22nd March'2022 prohibiting the use of any other UPI/NEFT whereas a processing charge of Rs 500/transaction was imposed for its violation.

Fees shall henceforth be payable through the following modes only:

- 1) School's website through parent login - www.stfxonline.com
- 2) Quick School parent app
- 3) Authorised Axis Bank Branches

The above changes have been affected to ensure that the fees paid by the parents reflect immediately against the pupil's name ruling out the chances of discrepancies /unidentified payments not getting credit to their accounts.

We have made the provision of guiding the parents and guardians if they find any difficulty in the process of paying the school fees through the Quick School parent app /School's website wherein our Office staff will extend all cooperation upon approach.

A tutorial video link on how to pay the school fee using the Quick School Parent app and School's website has been made available on our official YouTube channel and the parents and guardians need to follow and subscribe the same by visiting <https://www.youtube.com/c/StFrancisXavierSchool> or clicking below:
